

# Are You a Snowbird?

*(Example - you live in Wisconsin from April-October and Florida from November-March)*

Does your Post have one or more members who are snowbirds, moving between two different addresses each year? Did you know that National can automatically change their address so that they never miss an issue of their magazine, their renewal notices or any other mail from National? If you have any members who would like to take advantage of this service, please let us know by having them complete the information below.

NOTE: This service works only if the member moves between two addresses at the same time each year. The members must provide a summer & winter address and the approximate date they move to/from each. Once their membership record is set up for our "snowbird" service, the member won't need to notify us when they move unless they change either address entered below. Since most mailings from National are printed weeks in advance, please allow 6-8 weeks for the initial change to take effect.
